**Return form by August 1, 2023. I hope you have time to get this on the fall calendar for next year.**

Please plan to arrive by 9:30am. I have visited with some schools that cannot arrive by 9:30am due to travel distance, and we will arrange the schedule for the students to see most of the demonstrations. Everyone will break at 12 noon for lunch for 20 minutes. There are picnic tables, or if you want to bring blankets and sit under a shade tree, that is fine too. The \$8 sack lunch will have a sandwich, piece of fruit, chips, cookie and bottle of water. Adults and students lunches will be the same.

If you have any questions or need to call me the day of, my cell is 573-822-9498.

Thank you

Wendy
